

Shanghai

Auditorium of Yifu Building, East China University of Science and Technology (ECUST)

Honorary Chair: Professor Changsheng Liu

Monday 12th November, 2012

Time	Morning session	Chair
9:00 am	Introduction and welcome	Changsheng Liu ECUST, China
9:20 am	Presentation from Dr Thomas Koini, <i>WACKER Chemicals China Co. Ltd., China</i> Creating tomorrow's solutions	
10:00 am	Presentation from Peter A Lovell, <i>University of Manchester, UK</i> The complexities in using polysaccharides as colloid stabilisers in emulsion polymerisations	
10:40 am	Tea/coffee break	
11:10 am	Presentation from Shengyu Feng, <i>Shandong University, China</i> Design and synthesis of novel organosilicon polymers via click chemistry	
11:50 am	Presentation from José M Asua, <i>University of the Basque Country, Spain</i> SiO₂ stabilised latexes	
12:30 pm	Lunch	Richard Weidner WACKER Chemicals China Co. Ltd., China
2:00 pm	Poster session	
3:30 pm	Presentation from Ulrich Schubert, <i>Vienna University of Technology, Austria</i> Cluster-based inorganic-organic hybrid polymers	
4:10 pm	Presentation from Jian Zhu, <i>Soochow University, China</i> Photo-induced cobalt-mediated radical polymerisation of vinyl acetate	
4:50 pm	Closing remarks from day one Shanghai	
5:00 pm	Close	

Tuesday 13th November, 2012

Time	Morning session	Chair
9:00 am	Presentation from Elodie Bourgeat-Lami, <i>University of Lyon, France</i> On the incorporation of CeO₂ particles into polymer latexes for producing UV and abrasion resistant waterborne coatings	Timo Hagemeister WACKER Chemicals China Co. Ltd., China
9:40 am	Presentation from Chunzhong Li, <i>ECUST, China</i> Microstructure and properties of silicone rubber reinforced by silica nanoparticles synthesised by H₂/Air combustion flames	
10:20 am	Tea/coffee break	Timo Hagemeister WACKER Chemicals China Co. Ltd., China
10:35 am	Panel discussion How to prepare a career in multi-national company?	
11:50 am	Closing remarks and poster prize presentation	
12:00 pm	Close
