Subject: Acceptance of your submission to Advanced Materials (adma.202511497R1) - [EMID:1c191bd3d565dd2d]

Dear Dr. Wang,

Thank you for submitting your manuscript entitled "Bioactive materials-mediated regulation of bone marrow microenvironment: mechanistic insights and therapeutic potentials" (Review, No. adma.202511497R1) to Advanced Materials. The reviewer report and comments are included at the end of this e-mail.

I'm pleased to inform you that your manuscript has been accepted for publication without change.

The final version of your article can only be published once we have received a signed license agreement. You will soon receive an email invitation to register or log in to Wiley Author Services (<https://authorservices.wiley.com/index.html#login>). After logging into Wiley Author Services, please follow the on-screen instructions to confirm your corresponding author(s) and sign the appropriate license agreement.

We will copyedit the accepted version of your manuscript and if we require any further information at this stage, we will contact you. After copyediting, your proofs will be prepared and instructions for returning your proof corrections will be provided when the proofs are sent to you.

Further, it is the author's responsibility to request permission to reproduce or adapt previously published figures. The copyright of figures generally belongs to the publisher of the journal where they first appeared. This also applies to your own previous publications. If you have not obtained permission to reproduce the figures yet, please do so immediately. We can only proceed with the publication once you have received all necessary permissions.

Congratulations on your results, and thank you for choosing Advanced Materials for publishing your work. I hope you will consider us for the publication of your future manuscripts.

Yours sincerely,

David Huesmann
